KNOWLEDGEABLE EDUCATORS

The program's skilled teachers know how young children learn and develop. They are committed to assisting families in supporting their children's education.

FLEXIBILITY

Working families need adaptable schedules and services for education and care programs. Ohio's Early Learning Initiative offers several options, ranging from part-time preschool to full-day, full-year preschool and child care services.

HIGH-QUALITY EXPERIENCES

Ohio's Early Learning Initiative (ELI) ensures meaningful experiences that pave the way for future achievement. Using Ohio's early learning program guidelines, ELI providers will help children succeed now and throughout life.
